

Ever wonder if your recruitment processes are competitive?

Think that your candidate sourcing, marketing, and interviewing tactics could be more strategic and effective?

Jordan Search Consultants offers a FREE Recruitment Strategy Assessment for organizations who want to know how their search processes could be optimized for improved recruitment and retention. Utilize our expertise to give you a competitive advantage!

THIS FREE ASSESSMENT INCLUDES:

- ✓ Phone consultation to better understand your recruitment process
- ✓ Evaluation of corporate culture (including how to accurately define it)—and recommendations to leverage it to attract top talent
- ✓ Analysis of your current situation, compensation, recruitment incentives, and retention rates compared to others in your industry
- ✓ Summary of our comprehensive recommendations for your organization

You get a report, but more importantly, you receive peace-of-mind knowing that your processes have been evaluated by experts.

Call or e-mail today to schedule your free assessment, and start maximizing your effectiveness in the marketplace.
